LUXURY RETREAT IN HANMER SPRINGS
THE SPA CAPITAL OF NEW ZEALAND

Amuri - 'Land of the Shining Tussock' in Maori - is also the name of the wind that ripples over the Hanmer basin grasslands. You'll be mesmerised by the beauty of Hanmer's moody plains which slowly change colour throughout the day, only slumbering when the lights of the town twinkle like stars in the night sky.

Enjoy a comfortable, memorable stay in sustainable, luxury accommodation

To find Amuri Estate

Driving north on Highway 7: Take the Hanmer Springs turn-off onto Highway 7A, cross the historic Ferry Bridge over the Waiau River and turn right onto Medway Road before the Hanmer River bridge.

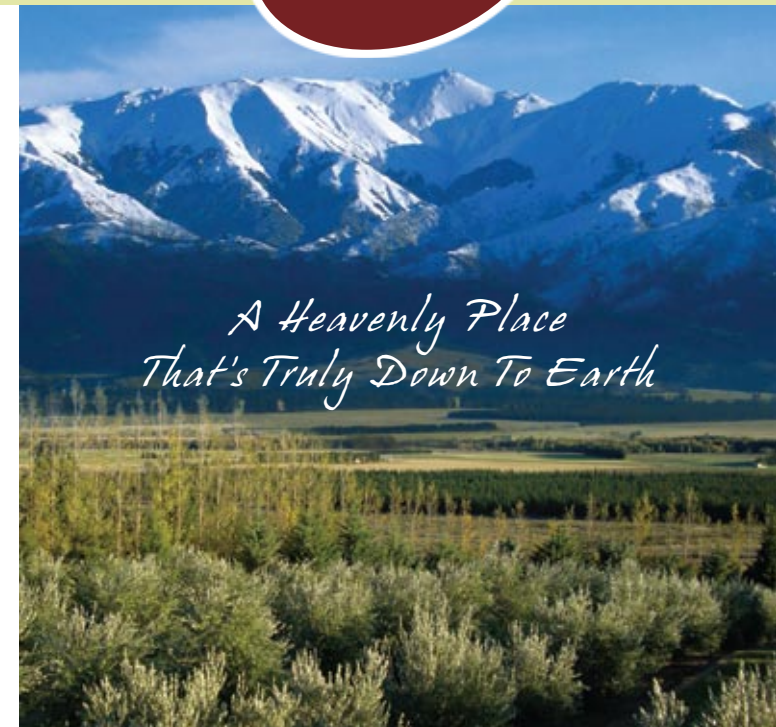

Driving from Kaikoura: We suggest taking the sign-posted 'Alpine Pacific Highway' off Highway 1 on the right just south of Kaikoura. You will enjoy the drive through beautiful high country scenery and small country towns such as Waiau and Rotherham, before coming to Highway 7 where you turn right towards Lewis Pass/Wesport.

Turn-off on Highway 7A to Hanmer Springs.

Driving from Hanmer Springs village: Cross the Hanmer River Bridge and turn left onto Medway Road.

Then: 1.5km along Medway Road two stone pillars set back from the road on the right hand side mark the entrance of our driveway.

Go up this driveway then take the first entrance on your left.

Organic produce from the gardens becomes part of the daily fare for cooked breakfasts in the Retreat and the breakfast basket in Wallace Peak Cottage.

Pre-Dinner Drinks

Early each evening join fellow guests in the lounge for complimentary pre-dinner drinks and canapés.

Dining

A short drive leads you to nearby first class restaurants in Hanmer Springs. By prior arrangement join your hosts for dinner at the Retreat. Guests enjoy a range of specially prepared breakfasts.

Your Hosts

Chris and Lisa Preston have built Amuri Estate Retreat as an environmentally sustainable venture. Sharing a love of the outdoors, the land and its history, they continue to study the area and delight in sharing their knowledge with guests.

"What made our stay at Amuri really memorable was our hosts and their genuine interest in us as guests and in our comfort and enjoyment. They clearly have a true passion for what they are doing and this is evident in every little detail."
