How to find Amuri Estate:

If driving north on Hwy 7, take the Hanmer Springs turn-off onto Hwy 7A, cross the Historic Ferry Bridge over the Waiau River and turn right onto Medway Road before the Hanmer River Bridge.

If driving from the village of Hanmer Springs, cross over the Hanmer River Bridge and turn left onto Medway Road.

Travel 1.5km along Medway Road and you will see two stone pillars set back from the road on the right hand side marking the entrance of our driveway. Go up this driveway and take the 1st entrance on your left.

A Taste Of Italy

AMURI ESTATE is an established olive grove with 1,300 olive trees. The five different varieties planted are sourced from the Tuscany region of Italy and also from Spain and France. The grove's high altitude (at 400m, possibly the highest olive grove in New Zealand), free draining soil, gently sloping land irrigated by a spring-fed stream, and its north facing aspect are the perfect ingredients for the unique character of our Amuri Estate Extra Virgin Olive Oil.
